SUZU

An ISO 9001:2000 Certified Company |   Certified

The foundation of our success lies in promptly providing superior quality products at economical prices to our valued customers. We strive to bring freshness and technical innovations in our product range to achieve complete customer satisfaction. Their consistent feedback and suggestions have helped us in maintaining high standards of quality in our products. We have carved a strong niche for ourselves in the international market by exporting our products in countries all across the globe.

Quality forms the backbone of our endeavor at **SUZU Steel (India)**. Our mission is to provide only the best quality products to our customers. To achieve this, We undertake a series of tough quality tests that efficiently serves to identify the errors and rectify them immediately. Quality raw materials like steel are procured from some of the most reliable manufacturers to make durable and long lasting product. An expert team of quality control supervisors, who are always on their feet and meticulously watch the entire quality checking process, mans the entire manufacturing process. Their careful observation invalidates and account of quality degradation and helps in achieving complete customer satisfaction.

What We do

We provide high quality products which will obtain credit from our customer and further save cost to possibly replace or to deal with complaints or claims because of bad quality. We work hard to maintain consistent standard of quality so our customers will not worry what they are going to receive.

Our delivery system is so configured enabling us to deliver the ordered quantity exactly on time to save time cost and inventory management cost. Our research and development department always try to introduce new innovative products continuously with short time frequency to support our customer marketing approach. Hence "**Suzu**" a confident and active manufacturer dedicated to the maximization of customer satisfaction is constituted and growing. And we warmly welcome all our customer and dealers all across the world.
